Work Background

On-Air Radio Announcer

WMRA | November 2014 – August 2015

- Created and delivered on-air radio content compiled from news bites.

Library Assistant

Massanutten Regional Library | August 2015 – May 2018

- Maintained an inventory of library materials through check ins, checkouts, and timely shelving.
- Offered timely customer service support by staffing the circulation desk, answering phones, updating profiles, and directing patrons to library resources.
- Reviewed items for damage, made repairs, billed and contacted patrons.

Digital Collections Specialist

James Madison University | November 2015 – May 2018

- Managed an open access institutional repository by providing technical assistance for digital collections to Unit Management, Special Collections, and Project Stakeholders.
- Created Custom User Guides and held training sessions.
- Created workflows for editing metadata using best practices.

Library Associate- Interlibrary Loan Coordinator

Georgia College & State University | August 2018 – February 2019

- Provided Students, Staff, and Alumni with materials from other regional libraries.
- Revitalized the Interlibrary Loan program by reviewing current best practices and making operational excellence-based improvements.
- Supervised the training and progress of Student Workers.

Library Assistant- Technology Hub

Hoover Public Library | August 2019 – Present

- Assist patrons with technical issues related to business, academic, and personal pursuits in a public computer lab.
- Manned an area Helpline and implemented procedures for a chat service during the Covid-19 crisis in our area.
