Summary

Highly motivated filmmaker able to adjust into new roles. Team-work driven individual who works well under pressure and is passionate about the medium.

Experience

Jeff Jones Properties Inc. | Mobile, AL

September 2021 - Present

Cinematographer/Editor/Coordinator

- Directing and producing a variety of featured projects for the LivingInMobile social channels.
- Editing, color correcting, and grading each project using Adobe Premiere Pro.
- Using Adobe After Effects and Adobe Photoshop to create animations, VFX, and graphics.
- Operating efficiently for interests of the team in very high stress and timely situations.
- Showcasing, through film and photos, innumerable properties across all social media platforms.
- Collaborating creatively through scripts and summaries for online video segments.
- Organizing multiple terabytes of files for ease of use and distribution.
- Executing high quality audio recording, lighting set ups, and flawless camera operation.

“Number 2” | Short Film

September 2022

Writer/Director/Editor

- Collaborated with mentors and professors on multiple drafts to write the official script.
- Organized and arranged casting calls, interviews, and meetings throughout the production.
- Oversaw the whole project from pre-production to post-production
- Directed the cast and crew to bring the vision of the script to life.

“The Feature” | Short Film

August 2022 – September 2022

1st Assistant Camera

- Arranged and pieced together the cinema rig to fit the needs of each given scene.
- Led the entirety of the camera department to ensure productivity, safety, and communication
- Racked and pulled wireless focus on throughout the production.
- Assisted the cinematography through any needs necessary
