Production Caterer | Owner, Big Jake's Catering

Professional Summary

Seasoned production caterer and craft services provider with extensive experience supporting film and television sets across the Southeast and Los Angeles. As the owner and operator of Big Jake's Catering, I oversee every aspect of service—from menu design and sourcing to setup, service, and strike—ensuring smooth, timely meals that keep crews energized and satisfied. My background as a crew member gives me a deep understanding of set flow, call sheets, and the unpredictable rhythm of production days. Known for adaptability, clear communication with ADs and production teams, and exceptional reliability, I deliver full-scale catering with the efficiency and consistency of a one-man operation.
